I was previously a member of the Judicial Merit Selection Committee when Bankruptcy Judge Latta was appointed. I enjoyed the process and became familiar with the due diligence required of such a committee as well as the need for participants to be open minded and good listeners. I have dedicated my career to the administration of justice under the law and serving the public as counsel through my employment. My experience makes me keenly aware of what it takes to be a member of the judiciary and the attributes necessary to hold that position of trust and public service. As a trial lawyer, practicing over 20 years, I have appeared before numerous judges in state and federal courts in various counties (from west Tennessee to east Tennessee) throughout the state. It is important for members of the Commission to not only reflect the demographics of the community but to have the aptitude to apply stringent standards for those who are chosen for consideration to be members of the judiciary. Judges hold a position of great influence and power in our society. Those who serve on the Judicial Nominating Commission must respect the law and understand its application and worth in modern society. I would be an effective member of the Committee based on the foregoing and because I am willing to invest the time and effort to be prepared for meetings and to review all needed documents to ensure the most qualified applicants move forward in the process based on merit. I humbly ask to be accepted as a member of the Judicial Nominating Commission.
